

## Performing Arts Recording Service

With effect from 1st January 2012

A choice of packages is available with either our popular "Cost Free" production service, or our "Buy and Sell" option for those wishing to generate income.

All DVD's are produced in industry standard format using branded professional materials, and all recordings are licences with the mcps and ppl as private recordings with limited volume. An additional licence enables anti-ripping technology to be included in the production process. These features equate to around £3 per unit.

Early booking is advisable for peak periods, particularly February, July and December. Booking forms with terms are always issued. As part of our actions in reducing our carbon footprint correspondence is undertaken by e-mail wherever practical.

### "COST FREE" PRODUCTION SERVICE

All marketing and administration is undertaken by Missing Link, from providing order forms, taking on-line orders to after-sales service. This has proved the most successful format for our regular customers. A complimentary copy is included in these packages and orders can either be posted direct to performers or collected through the school or performing company.

**Single Camera Recording "Cost Free" £15.99 each with 25\* minimum sale requirement**  
Our most popular package with single camera operation.

**Two Camera Recording "Cost Free" £17.99 each with 40\* minimum sale requirement**  
With two operated cameras this provides a TV-style programme.

### "BUY AND SELL" INVOICED SERVICE

While our packages above are designed to maximise sales through the lowest price possible, some organisations wish to generate a small income through sales. The "Buy & Sell" option enables the selling price to be determined by the customer who remains responsible for all marketing, sales and administration. The customer is invoiced for a bulk delivery as follows:

**Single Camera Recording "Buy & Sell" £15.99 each with 25\* minimum purchase requirement.**

**Two Camera Recording "Buy & Sell" £17.99 each with 40\* minimum purchase requirement**
